

**What you need:**

1. Hand paint
2. White construction paper
3. Scrap paper
4. Newspaper/trash bag
5. Pom-pom balls
6. Glue

**Directions:**

Spread the newspaper/trash bag out on the surface you will be working on. Put some hand paint on the scrap paper. Tell the child to put his hand in the hand paint and then put the hand on the white construction paper at two angles close to each other. Then glue the pom-pom balls as the body of the butterfly at the base of the hand prints. Paint some butterfly antennas.
